## Welcome to orangefield

church and community

2017/2018

[www.orangefield.org.uk](http://www.orangefield.org.uk)

We are a large and diverse family church with many different activities for all ages and even if none of our organisations appeal to you we assure you of a warm welcome in arc, our café, which is open to the public daily.

We believe that God loves every one of us and that he has a plan to redeem and transform our community, our city, our nation and our world as we respond to him in faith.

We are a good news church, worshipping and serving the Father through Jesus the Son in the power of the Spirit with joy and wonder.

We invite you to join with us any Sunday or at any of our activities throughout the week.

If you would like further information on any aspect of our church or we can help you in any way, please contact the church office.

We look forward to welcoming you to Orangefield.
